

Privacy Policy

Forms (contact, enquiries, quotations, surveys, etc) (contact, enquiries, quotations, surveys, etc.)

Contact form submissions made to us are only used internally and for the stated reason. The information is kept private and is not shared with or sold to outside parties. Contests and surveys only require voluntary participation. Results from surveys are only utilized internally and are not shared with unauthorized parties.

Security concerns

The information we collect is kept on servers in our security zone that have been securely safeguarded. Only a select group of individuals with special authorization who are in charge of the technical, commercial, or editorial management of these data have access to these servers.

Our organization employs extensive technical and operational safety measures, which are routinely evaluated and updated in accordance with the most recent technology advancements, to prevent loss or misuse of the data we maintain.

However, because of the way the Internet is set up, it is possible for other individuals or organizations, over whom we have no control, to disregard data protection laws. Particularly, unprotected material, like that revealed in an email, could be seen by outside parties. We have no control over this because of the technical limitations of the Internet. By utilizing encryption or another mechanism, the user alone is responsible for preventing unauthorized access to the data he gives. Emails are routed across a variety of servers on the Internet, and there are various possibilities to access, modify, delete, copy, or otherwise alter this information without authorization. Alternatively, you can get in touch with us via phone, fax, or letter.

External hyperlinks

You leave our website when you click on links to other websites. The data privacy policies of third-party websites that are connected to ours are not our responsibility. In addition, we disclaim any liability for the legality and content of linked third-party websites.

Please contact us through email if you discover a broken link.

We hereby explicitly disassociate ourselves from all content on all sites linked to www.amarequip.com and do not claim ownership of such content, as we hereby officially declare that we have no influence over the design and content of linked sites.

In order to scientifically analyze website usage and continuously enhance the services we provide online; this data is preserved in log files. Since the data in question are only generalized usage data, no individual analysis of them is possible.

We take great care to prevent the connection between usage data and personal information. We don't analyze personal data for people.

Google Analytics

This website makes use of Google Analytics, a remarketing-enabled web analytics tool offered by Google, Inc. ("Google"). In order to better understand how users interact with the website, Google Analytics uses "Cookies," which are text files that are downloaded to your computer. Google will receive and store the data produced by the cookie about how you use the website (including your IP address) on servers located in the United States. This data will be used by Google to assess how you use the website, create reports on website activity for website owners, and perform other functions related to website activity and internet usage.

When required to do so by law or when such third parties process the information on Google's behalf, Google may also disclose this information to third parties. Your IP address won't be linked to any other information that Google stores. By choosing the proper options in your browser, you can choose to reject the usage of cookies, but keep in mind that you might not be able to access this website's full functionality if you do so. You give Google your consent to process data about you in the ways and for the purposes specified above by using this website.

Google Analytics Opt-out Browser Add-on is available at <https://tools.google.com/dlpage/gaoptout?hl=en>. By using this add-on, you can stop Google from processing the cookie-related data about your use of the website, including your IP address.

Tracking conversions for Google Ads

Conversion tracking is used on this website for "Google Ads" and "Google Ads Remarketing." If a user clicks on one of Google's advertisements, a cookie will be immediately set. This cookie expires after 30 days and is not used to track individual users. Google and we are able to identify which ad was clicked and the referring source page whenever a visitor visits one of our sites while the cookie is still in effect. Each user of Google Ads receives a distinct cookie. Websites of Ads customers cannot trace cookies. For Google Ads customers who have chosen to employ conversion tracking, the cookie information is used to compile statistics on conversion.

Customers that purchase advertising only receive the number of visitors who clicked on our advertisement and were directed to a website that has a conversion tracking tag. However, there is nothing in there that might be used to identify you. You may easily disable Google Conversion-Tracking in your browser if you don't want to take part in this tracking. Our conversion statistics won't include these visitors.
